I am preparing a thesis entitled:
Self-assembly of polysaccharides onto model cellulose surfaces and self-assembled monolayers
by using surface plasmon resonance spectroscopy
to appear in a (circle one) book, magazine, journal, proceedings, other
entitled: Virginia Tech Electronic Theses and Dissertations
to be published by: UMI Company
I would appreciate your permission to use the following ACS material in print and other formats
with the understanding that the required ACS copyright line will appear with each item and
