REFERENCES

Some of the following references list page numbers and cite the same work several times with *Ibid.* Such a system helps the reader find the specific reference within the cited work. In addition, personal communications were referenced so that the reader may contact the cited person should any questions arise.

15. *Ibid*.

26. West, R. L., personal communication with author, Virginia Polytechnic Institute and State University, Blacksburg, Virginia, May 1997

37. Barker, A., personal communication with author, Virginia Polytechnic Institute and State University, Department of Mechanical Engineering, Blacksburg, Virginia, March 1997.

43. West, R. L., personal communication with author, Virginia Polytechnic Institute and State University, Department of Mechanical Engineering, Blacksburg, Virginia, April 1997.

45. Mitchell, L. D, personal communication with author, Virginia Polytechnic Institute and State University, Department of Mechanical Engineering, Blacksburg, Virginia, July 1997.

48. Mitchell, L. D., personal communication with author, Virginia Polytechnic Institute and State University, Department of Mechanical Engineering, Blacksburg, Virginia, May 1996.
