

## VITA

Robert Eric McClellan

Eric is a participant in a 5-year Bachelor/Master's program offered through the Department of Urban Affairs and Planning at Virginia Tech. Eric graduated Magna Cum Laude in May 2001, at which time he received his Bachelor of Arts in Public and Urban Affairs. Eric will receive his Master's Degree in Urban and Regional Planning in May 2002. While his interests in planning are broad, he is most interested in physical development and land use planning.
