The requested permission extends to any future revisions and editions of my thesis, including non-exclusive world rights in all languages, and to the prospective publication of my thesis by UMI Company. These rights will in no way restrict republication of the material in any other form by you or by others authorized by you. Your signing of this letter will also confirm that you own [or your company owns] the copyright to the above-described material. If these arrangements meet with your approval, please sign this letter where indicated below and return it to me. Thank you very much.

Sincerely,
Martin K. Huck, RA
