Objective

- Create WordPress Templates for VT that are developed inline with the Virginia Tech Style Guideline
- Prefer at least one template to incorporate the Drag-and-Drop features
Drag-and-Drop

Save time with drag & drop.
Drag and drop blocks, images, and anything else you can insert in your email.
Why do we need this?

- Currently the university-wide blogging platform has over 1600 users and with a high expected growth rate
- We hope that we can provide a uniform template for faculty users to use
