Copyright Permission Policy

These guidelines apply to the reuse of articles, figures, charts and photos in the *Journal of Biological Chemistry*, *Molecular & Cellular Proteomics* and the *Journal of Lipid Research*.

For authors reusing their own material:

Authors need NOT contact the journal to obtain rights to reuse their own material. They are automatically granted permission to do the following:

- Reuse the article in print collections of their own writing.
- Present a work orally in its entirety.
- Use an article in a thesis and/or dissertation.
- Reproduce an article for use in the author's courses. (If the author is employed by an academic institution, that institution also may reproduce the article for teaching purposes.)
- Reuse a figure, photo and/or table in future commercial and noncommercial works.
- Post a copy of the paper in PDF that you submitted via BenchPress.
- Link to the journal site containing the final edited PDFs created by the publisher.
