

All figures not included in this list were created by the author.

Figure 1.3 Is in the public domain as it is taken from a government publication [9]

Figure 2.1a Is in the public domain http://en.wikipedia.org/wiki/File:RAF_Tornado_GR4_Iraq.

JPEG

Figure 2.1b Is in the public domain as it is taken from a government publication [8]

Figure 2.2 Is in the public domain as it is taken from a government publication [16]

Figure 2.3 Is in the public domain as it is taken from a government publication [16]

Figure 2.4 Is in the public domain as it is taken from a government publication [16]

Figure 2.5 Is in the public domain as it is taken from a government publication [16]

Figure 2.6 Is in the public domain as it is taken from a government publication [16]

Figure 2.8 Taken from [18], and is considered fair use. See attached output from fair use analysis tool

Figure 2.9 Both images Taken from [20], and is considered fair use. See attached output from fair use analysis tool

Figure 4.5 Is in the public domain as it is taken from a government publication [29]

Figure 5.15 comes from [34], and is considered fair use. See attached output from fair use analysis tool
