Special "Fair Use" permission

If you want to use a single figure, a brief paragraph, or a single table from a GSA publication, GSA considers this to be fair usage, and you need no formal permission and no fees are assessed unless you or your publisher require a formal permission letter. In that case, you should print a copy of this document and present it to your publisher.

An author has the right to use his or her article or a portion of the article in a thesis or dissertation without requesting permission from GSA, provided the bibliographic citation and the GSA copyright credit line are given on the appropriate pages.
