Allison,

That's correct you just need to make editorial corrections in order for your dissertation to be approved. I will get you my edits tonight.

Also, you have permission to use any of my photos in your final dissertation.

Best, Derek

Dear Allison Heck -

Thank you for your call yesterday regarding the Duke Plan - small area plan. Both of the documents linked below are products of our Office. Both are in the public realm which means we do not hold a copyright on the materials or images.

You should credit photos from both products at: District of Columbia Office of Planning 2004 or 2010 depending on the product you have copied from.

For copy credits, I would credit the name of the plan and again list the District of Columbia Office of Planning as the author of the product.

MEMORANDUM

DATE: May 8, 2013
TO: Derek S Hyra, Allison Jane Abbott Heck
FROM: Virginia Tech Institutional Review Board (FWA00000572, expires April 25, 2018)
PROTOCOL TITLE: U Street Cultural Heritage Study
IRB NUMBER: 11-454

Effective May 8, 2013, the Virginia Tech Institutional Review Board (IRB) Chair, David M Moore, approved the Continuing Review request for the above-mentioned research protocol.

This approval provides permission to begin the human subject activities outlined in the IRB-approved protocol and supporting documents.

Plans to deviate from the approved protocol and/or supporting documents must be submitted to the IRB as an amendment request and approved by the IRB prior to the implementation of any changes, regardless of how minor, except where necessary to eliminate apparent immediate hazards to the subjects. Report within 5 business days to the IRB any injuries or other unanticipated or adverse events involving risks or harms to human research subjects or others.

All investigators (listed above) are required to comply with the researcher requirements outlined at:

<http://www.irb.vt.edu/pages/responsibilities.htm>

(Please review responsibilities before the commencement of your research.)

PROTOCOL INFORMATION:

Approved As: Expedited, under 45 CFR 46.110 category(ies) 6,7
Protocol Approval Date: May 24, 2013
Protocol Expiration Date: May 23, 2014
Continuing Review Due Date*: May 9, 2014

*Date a Continuing Review application is due to the IRB office if human subject activities covered under this protocol, including data analysis, are to continue beyond the Protocol Expiration Date.

FEDERALLY FUNDED RESEARCH REQUIREMENTS:

Per federal regulations, 45 CFR 46.103(f), the IRB is required to compare all federally funded grant proposals/work statements to the IRB protocol(s) which cover the human research activities included in the proposal / work statement before funds are released. Note that this requirement does not apply to Exempt and Interim IRB protocols, or grants for which VT is not the primary awardee.

The table on the following page indicates whether grant proposals are related to this IRB protocol, and which of the listed proposals, if any, have been compared to this IRB protocol, if required.
