Confirmation of your Copyright Transfer

Dear Author,

Please note: This e-mail is a confirmation of your copyright transfer and was sent to you only for your own records.

The copyright to this article, including any graphic elements therein (e.g. illustrations, charts, moving images), is hereby assigned for good and valuable consideration to Springer Science+Business Media New York effective if and when the article is accepted for publication and to the extent assignable if assignability is restricted for by applicable law or regulations (e.g. for U.S. government or crown employees). Author warrants (i) that he/she is the sole owner or has been authorized by any additional copyright owner to assign the right, (ii) that the article does not infringe any third party rights and no license from or payments to a third party is required to publish the article and (iii) that the article has not been previously published or licensed.

The copyright assignment includes without limitation the exclusive, assignable and sublicensable right, unlimited in time and territory, to reproduce, publish, distribute, transmit, make available and store the article, including abstracts thereof, in all forms of media of expression now known or developed in the future, including pre- and reprints, translations, photographic reproductions and microform. Springer may use the article in whole or in part in electronic form, such as use in databases or data networks for display, print or download to stationary or portable devices. This includes interactive and multimedia use and the right to alter the article to the extent necessary for such use.
Authors may self-archive the Author's accepted manuscript of their articles on their own websites. Authors may also deposit this version of the article in any repository, provided it is only made publicly available 12 months after official publication or later. He/she may not use the publisher's version (the final article), which is posted on SpringerLink and other Springer websites, for the purpose of self-archiving or deposit. Furthermore, the Author may only post his/her version provided acknowledgement is given to the original source of publication and a link is inserted to the published article on Springer's website. The link must be provided by inserting the DOI number of the article in the following sentence: "The final publication is available at Springer via http://dx.doi.org/[insert DOI]."

Prior versions of the article published on non-commercial pre-print servers like arXiv.org can remain on these servers and/or can be updated with Author's accepted version. The final published version (in pdf or html/xml format) cannot be used for this purpose. Acknowledgement needs to be given to the final publication and a link must be inserted to the published article on Springer's website, by inserting the DOI number of the article in the following sentence: "The final publication is available at Springer via http://dx.doi.org/[insert DOI]." Author retains the right to use his/her article for his/her further scientific career by including the final published journal article in other publications such as dissertations and postdoctoral qualifications provided acknowledgement is given to the original source of publication.

Articles disseminated via http://link.springer.com are indexed, abstracted and referenced by many abstracting and information services, bibliographic networks, subscription agencies, library networks, and consortia.

After submission of the agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted by Springer.

hereinafter defined as the WORK
-ci-après désigné l'ŒUVRE

This agreement is revocable only if both parties are willing. The present transfer is granted for all the countries.
Cette cession est révocable seulement si les deux parties sont consentantes. La présente cession est consentée pour tous les pays.

If the AUTHOR is an employee of the government of Canada, of the United Kingdom or Australia, and if
the WORK was prepared in the course of its governmental functions, the copyright of the WORK belongs
to Her Majesty. THE AUTHOR received the authorization from his employer to grant a non-exclusive
right, worldwide and without payment of royalties for the exploitation of the WORK.
If the AUTHOR is an employee of the United States government and if the WORK was prepared as part of his official duties, the WORK is excluded from the protection of the copyright. Your employer grants the LICENSOR a non-exclusive, worldwide right, and without payment of royalties, according to the degree allowed by the law for the exploitation of the WORK.

THE AUTHOR declares that the authorship of the WORK can be attributed to the above-mentioned persons.

THE AUTHOR declares that the WORK is an original manuscript, and that in the best of his knowledge it violates no copyright and no other property right of a third party.

THE AUTHOR declares that the WORK has not been submitted for publication elsewhere.

THE AUTHOR agrees not to publish the WORK elsewhere, in whole or in part, without the written permission from the LICENSOR.

THE AUTHOR grants the LICENSOR the exclusive right for the exploitation of the WORK in all forms, formats, and media. This exploitation right includes more specifically, but not exclusively, the right to publish, reproduce, display and adapt the WORK, in whole or in part. THE AUTHOR preserves all rights on patents, trademarks or other intellectual properties derived from this WORK.

The LICENSOR agrees to exploit the rights granted under this license in conditions that will insure the protection of the AUTHOR’S intellectual property.

Use of third party graphic material / L'utilisation de matériel sous droit d'auteur

The AUTHOR who wish to incorporate graphic material owned by a third party declares that he has obtained all the necessary authorizations for the use of the said material in his WORK for "Écoscience".

(Please include a copy of acquired authorizations).
Si l'auteur est un fonctionnaire du gouvernement du Canada, du Royaume-Uni ou de l'Australie, et que l'œuvre a été préparée dans le cadre de ses fonctions gouvernementales, le droit d'auteur de l'œuvre appartient à Sa Majesté. L'auteur a reçu l'autorisation de son employeur d'accorder un droit non-exclusif, mondial et sans paiement de redevances pour l'exploitation de l'œuvre.

If the AUTHOR is an employee of the United States government and if the WORK was prepared as part of his official duties, the WORK is excluded from the protection of the copyright. Your employer grants the LICENSOR a non-exclusive, worldwide right, and without payment of royalties, according to the degree allowed by the law for the exploitation of the WORK.

L'auteur déclare que le patrimoine de l'œuvre peut être attribué aux personnes susmentionnées.

THE AUTHOR declares that the authorship of the WORK can be attributed to the above-mentioned persons.

L'auteur déclare que l'œuvre n'a pas été transmise à un autre éditeur (ou à une autre institution) dans le but d'être publiée.

THE AUTHOR agrees not to publish the WORK elsewhere, in whole or in part, without the written permission from the LICENSOR.

L'auteur accorde exclusivement au CESSIONNAIRE la totalité du droit d'exploitation de l'œuvre sous quelque forme et par quelque moyen que ce soit. Ce droit d'exploitation comprend plus spécifiquement, mais non exclusivement, le droit de reproduction, de représentation et d'adaptation de l'œuvre, dans son intégralité ou en extrait. Par ailleurs, l'auteur conserve tous les droits sur les brevets, les marques de commerce ou les autres propriétés intellectuelles pouvant découler de cette œuvre.

The LICENSOR agrees to exploit the rights granted under this license in conditions that will insure the protection of the AUTHOR'S intellectual property.

Le CESSIONNAIRE s'engage à exploiter les droits cédés dans des conditions qui assurent à l'auteur la protection de sa propriété intellectuelle.

Use of third party graphic material / Utilisation de matériel sous droit d'auteur

The AUTHOR who wish to incorporate graphic material owned by a third party declares that he has obtained all the necessary authorizations for the use of the said material in his WORK for "Écoclasse".
