Hey Girl

What
DocGood! Gibson
danny device

and you have three choice: talk, video, text
you pick one and click one

and you call anybody on contact.

Template Created by Matthew Stephens (mattewstephens.com)
If phone break up
you can use chat app
If you push apps
then OK they be on

This is great

And if the kids
chat stop work
you can text

And you can stand
the whole time
der and tell your
friend about it

Template Created by Matthew Stephens (mattstephens.com)
Video Chat

You can push a button and you can video chat even in ice 2.

Without internet

And if you accident push a app that ok because until you come back you can listen.

And if a error you can reset and your contact.

Great app and if you cant video chat you can text if you cant do that you can talk.

back

Guess what?

wait

Hi

Lol. Your so silly.

I know I know.
Push on Max and then you can chat.

When you push on Max, you'll see everything you've written. You'll see it. Then you push back.
