Download app on any device

and you have three choice talk, video, text you pick one and click one

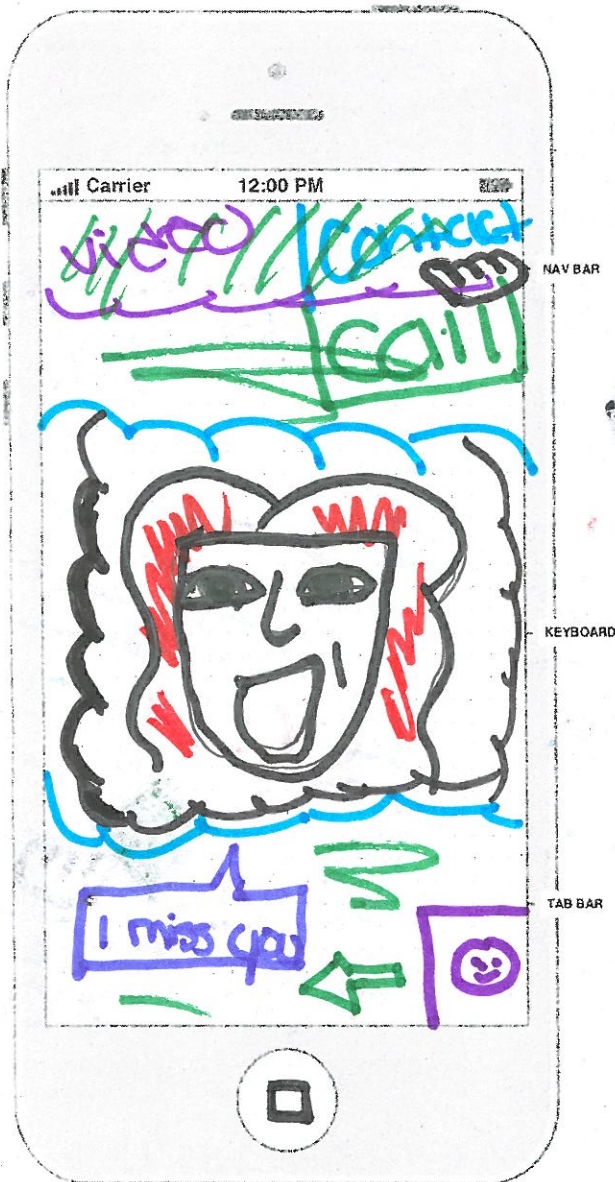

and you call anybody on contact

2f

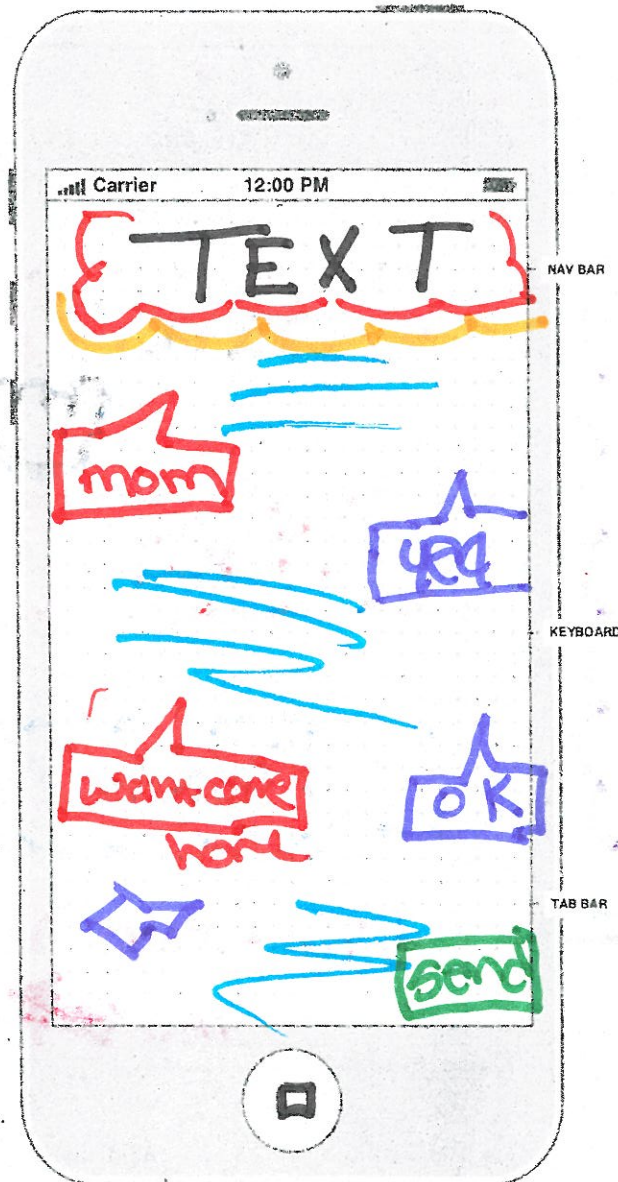

25

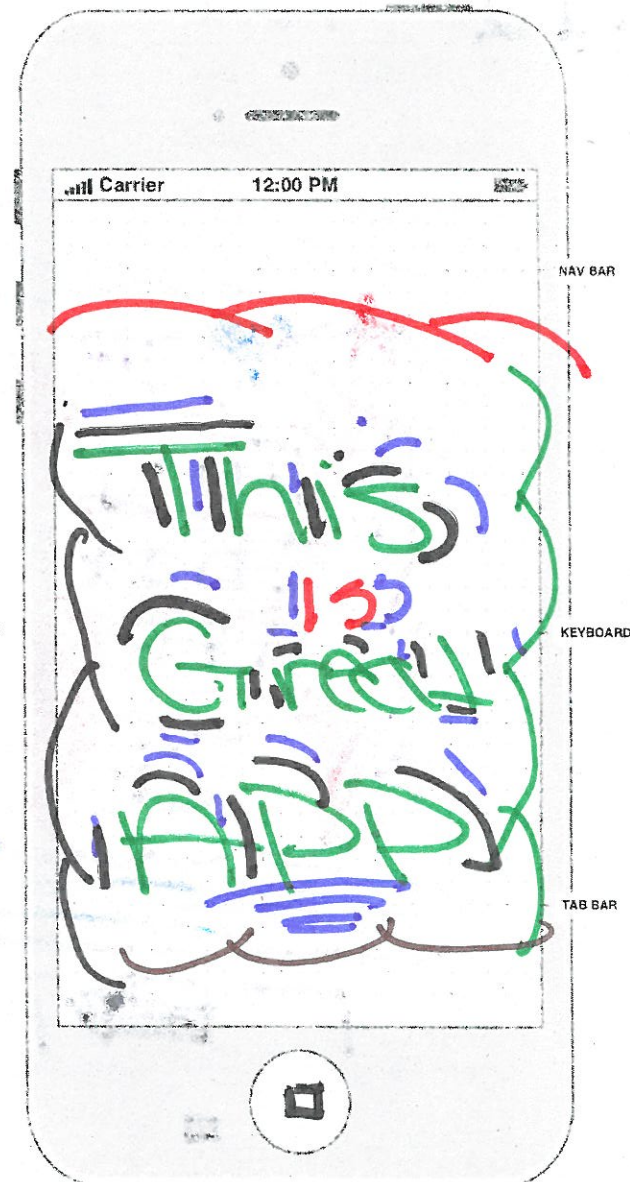

if phone break up  
you can use chat and  
if you push app  
then ok they be on

how

and if the kids  
chat don't work  
you can text

and you can start  
the whole cycle  
over and tell your  
friend how it was

- You can push a button and you can video chat with 1 person
- without internet
- And if you accident push a app that ok because the on hold or you can push  Pause button until you come back
- ~~and you can listen to the~~
- and if a error you can reset and your contact will be up there

~~Great~~ app

- and if you cant video chat you can text if you cant do that you can talk
