What is the Website?

- Soviet Era website as a teaching tool
- Archive of documents
  - Videos
  - Images
  - Primary source documents
Our work

- Fixed Security Flaws
  - SQL queries sanitized
- Fixing General Issues
  - Clean up code
- Fixing Database Issues
  - Connectivity problems
- Added Subtitles to Videos
Testing

- Extensive Attack Testing
- Asked a Server Administrator to Test
Lessons Learned

● Support is important
  ○ Have a plan for maintaining code
● Use open-source/common frameworks
● Modular code results in easier debugging
● Hire qualified and trustworthy personnel for web development
Confiscations in a Cossack Village (1929)

Collectivization Day
Collectivization Day. Let's strengthen our production ties (smychka) with the countryside. Leningrad Region, The Patronage (shef'stvo) Society of the Metal Factory dispatches its worker brigade to

Samara Kolkhoz Women Congress
Samara Region: the Middle-Voiga District Congress for Kolkhoz Women. Cossack women donate jewelry to the collectivization-tractorization campaign. Many of the contributions were less than voluntary.
