Mr. Boyd,

Attached are the images I am including in my dissertation. They were scanned from the "FTI Process Specification 8101, Revision G." They appear as Figures 6.2-1 and 7.8-1. If there is a problem giving me approval to use these images please let me know.

I have completed the defense for my dissertation, so I'm in a bit of a rush to get everything approved and I need to. If there is anything I can do to expedite the approval process please let me know.
