Mr. Boyd,
Attached are the images I am including in my dissertation. They were scanned from the "FTI Process Specification 8101 Revision G". They appear as Figures 6.2-1 and 7.8-1. If there is a problem giving me approval to use these images please let me know.

Mr. Boyd,
I have completed the defense for my dissertation, so I'm in a bit of a crunch to get everything approved and turned in. If there is anything I can do to expedite the approval process please let me know.
