Dear Xin Feng:

The *Journal of Dairy Science* grants you nonexclusive permission to print the articles listed below in your dissertation, provided that appropriate credit is given to the original publication in the journal. Authors typically use a statement along the lines of "Used by permission of the Journal of Dairy Science" and include identifying information, such as year, volume, pages, and digital object identifier. The journal acknowledges that your dissertation may be deposited into a noncommercial repository and requires that links to the original journal articles are included and that the articles will not be sold or displayed separately from the dissertation.
