Dear Joe:

I am completing a master's thesis at Virginia Polytechnic Institute and State University entitled "The Impact of Aluminum on the Initiation and Development of  $MnO_{x(s)}$  Coatings for Manganese Removal." I would like your permission to reprint in my thesis excerpts from the following:

Characterization of Manganese Oxide Coated Filter Media

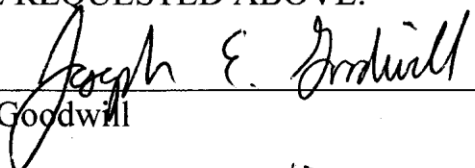

The excerpts to be reproduced are:  
Figure 4-28 Surface Area and Coating Level Correlation

The requested permission extends to any future revisions and editions of my thesis, including non-exclusive world rights in all languages, and to the prospective publication of my dissertation by UMI Company. These rights will in no way restrict republication of the material in any other form by you or by others authorized by you. Your signing of this letter will also confirm that you own the copyright to the above-described material.

If these arrangements meet with your approval, please sign this letter where indicated below and return it to me in the enclosed return envelope. Thank you very much.

Sincerely,  
  
Gary Hinds

PERMISSION GRANTED FOR THE  
USE REQUESTED ABOVE:
