Scott,

Thank you again for your contributed article “Gauging yield and recovery,” which was published in the September/October issue of *Recycling Today Global Edition* magazine.

Please be assured that you have our company’s permission to use your drafted article, or the article in any other form, as part of a submitted thesis.

Should you need to access the published version of the article, it can be found here:  

and starting on page 34 of the digital edition of the magazine, which can be found here:  

Please let me know if you need any additional proof of permission from Recycling Today Media Group or its parent company GIE Media, and best of luck in organizing a successful thesis!

Respectfully Yours,

Brian Taylor,
