Dear Mr. Thornblad:

You have requested permission to reprint the attached Metacritic screenshot (the “Content”) in your thesis (the “Thesis”). The Content will be used in the manner described in your email dated March 31, 2014, including commentary substantially in the form below.

CBS Interactive Inc. (“CBSI”) provides permission subject to the following:

1. To the extent that it has rights in the Content, CBSI hereby grants you permission perpetually on a non-exclusive basis to use the Content solely in connection with the Thesis as described in this letter. Should you use the Content in a manner not as described in this letter, CBSI has the right to revoke its permission at any time. CBSI does not make any representations or warranties with respect to the Logo or your intended use of it.

2. You agree to hold CBSI, and any affiliated party, harmless from and against any claims arising out of your use of the Content or your breach of any agreement made by you herein.

3. Your use of the Content as permitted herein shall not give you any proprietary right or claim to the Content or any part thereof, or right to make commercial use of the Content.

If this arrangement is acceptable to you, please sign below where indicated and return one copy for my files. If you have any questions, please contact us.

Best regards,

The CBSI Permissions Team

Agreed and Accepted this day of May 2014

What's this?

Summary: Twenty years after a pandemic radically transformed known civilization, infected humans run amok and survivors kill one another for sustenance and weapons - literally whatever they can get their hands on.

Joel, a salty survivor, is hired to smuggle a fourteen-year-old girl, Ellie, out of a ... Expand »
