**Subject:** Requesting permission to use MHS

Hello Dr. Morrison,

My name is Jessica Prince-Sanders and I am a doctoral student in Counselor Education at Virginia Tech in the United States. I am writing to request permission to use the Modern Homonegativity Scale for my dissertation.

My study will investigate how counselor trainees' perceptions of intimate partner violence may impact identification of violence in same-sex relationships. I will be using experimental vignettes and would like to also include the MHS to assess negative attitudes. Permission to use the MHS will be greatly appreciated.

Thank you for your time and consideration.  
Jessica Prince-Sanders
