To whom it may concern

Subject: Permission to Publish for Ms. Sahar Ghanipoor Machiani

I give my permission for Ms. Sahar Ghanipoor Machiani to publish part of the report that I have been an author on entitled "Modeling the Dynamics of Driver's Dilemma Zone Perception Using Machine Learning Methods for Safer Intersection Control" as part of her dissertation.

Sincerely,

Montasir Abbas, Ph.D., P.E.

Invent the Future

Steven Williams <smw5@engr.psu.edu>

to me

Good Afternoon Sahar,

I spoke with Mike Casper he deals with the papers and project reports and the distribution of them. We don't have an issue with your use of the paper as it is posted on the MAUTC website for public viewing.

However, we do recommend that you have permission from the lead author to use the report and if you would please send a copy of the authorization to us when you receive.

Thank you

Steve
