Gunwoo,

You have my permission to use Figure 1- p.4 from my paper "Urban Vacant Land Redevelopment: Challenges and Progress" published by Lincoln Institute of Land Policy, assuming you provide attribution. I’m not sure whether you also need Lincoln Institute's permission.

Regards,

James

Hallo Gunwoo Kim!

I have to apologize! Today I found your message / request from your hangout-invitation (19th March!) concerning the usage of one of my photos for your dissertation (Natur-Park Schöneberger Südgelände...).

I hope it's not too late for you now. I (Thorsten Gall) give you the permission to use a (the described) photo you asked for in your hangout, to use it in your dissertation and publishing it at Virginia Tech's library.

All right so?

If you would like to contact me, please use simply my e-mail (and not that "social-media hangout-stuff"). I also apologize for my mediocre school-english.

Best regards and good luck for your dissertation

Thorsten
