Copyright

+ Q: Why does AIP require a full transfer of copyright?

+ Q: What is the process for transferring copyright of a journal article?

+ Q: Is the electronic copyright transfer process legally binding?

+ Q: Will AIP accept other types of Copyright forms?

+ Q: Must all authors assign copyright?

+ Q: How is copyright transfer handled if I am an employee of the U.S. Government?

+ Q: How is copyright transfer handled if I work for a national research laboratory that receives funding from the U.S. Government?

+ Q: What if my work is funded by the National Institutes of Health (NIH)?

+ Q: Does AIP honor U.K. Crown Copyrights?

+ Q: What rights do I retain as an AIP author to utilize my own work?

+ Q: As an AIP author, may I post my AIP article on the Web?

+ Q: Does AIP offer an open-access option for authors?

+ Q: May I include previously published material in my AIP article?

- Q: May I include my AIP article in my thesis or dissertation?

AIP permits authors to include their published articles in a thesis or dissertation. It is understood that the thesis or dissertation may be published in print and/or electronic form and offered for sale, as well as included in a university's repository. Formal permission from AIP is not needed. If the university requires written permission, however, we are happy to supply it.
