

Ultra Low Power Wake-Up Receiver with Unique Node Addressing for Wireless Sensor Nodes

Travis Lee Cochran

Thesis submitted to the faculty of the Virginia Polytechnic Institute and State University in
partial fulfillment of the requirements for the degree of

Master of Science

In

Electrical Engineering

Dong S. Ha, Chair

Patrick Robert Schaumont

Yaling Yang

December 6th, 2011

Blacksburg, VA

Keywords: wake-up receiver, ultra-low power, wireless sensor network, serial code detector

Draft 09/01/2009

Virginia Tech ETD Fair Use Analysis Results

This is not a replacement for professional legal advice but an effort to assist you in making a sound decision.

Name:

Description of item under review for fair use:

Report generated on: 01-20-2012 at : 14:53:58

Based on the information you provided:

Factor 1

Your consideration of the purpose and character of your use of the copyright work weighs: *against fair use*

Factor 2

Your consideration of the nature of the copyrighted work you used weighs: *against fair use*

Factor 3

Your consideration of the amount and substantiality of your use of the copyrighted work weighs: *against fair use*

Factor 4

Your consideration of the effect or potential effect on the market after your use of the copyrighted work weighs: *against fair use*

Based on the information you provided, your use of the copyrighted work weighs: *against fair use*

Name: Travis Cochran

Description of item under review for fair use: M. Dielacher, J. Prainsack, M. Flatscher, R. Matischek and T. Herndl, "A BAW based Transceiver used as Wake-Up Receiver," in International Conference on Architecture of Computing Systems, 2010

Report generated on: 01-18-2012 at : 17:05:32

Based on the information you provided:

Factor 1

Your consideration of the purpose and character of your use of the copyright work weighs: *in favor of fair use*

Factor 2

Your consideration of the nature of the copyrighted work you used weighs: *in favor of fair use*

Factor 3

Your consideration of the amount and substantiality of your use of the copyrighted work weighs: *in favor of fair use*

Factor 4

Your consideration of the effect or potential effect on the market after your use of the copyrighted work weighs: *in favor of fair use*

Based on the information you provided, your use of the copyrighted work weighs: *in favor of fair use*
