Dear Susan Mirlohi,

Permissions request relating to material published in *Water Supply, Research and Technology-AQUA*:

In response to your request for copyright clearance to incorporate figures from the following title:

Dietrich AM. (2009). The sense of smell: contributions of orthonasal and retronasal perception applied to metallic flavor of drinking water. *J Water Supply Research and Technology-Aqua* 58(8): 562-570. © IWA Publishing 2009.

into a PhD dissertation document; we are very happy to grant you permission to reproduce the material specified above without charge, provided that:

- the material to be used has appeared in our publication without credit or acknowledgement to another source;
- suitable acknowledgement to the source is given in accordance with standard editorial practice, e.g.,

“Reprinted from Dietrich AM. (2009). The sense of smell: contributions of orthonasal and retronasal perception applied to metallic flavor of drinking water. *J Water Supply Research and Technology-Aqua* 58(8): 562-570, with permission from the copyright holders, IWA Publishing”.

- Reproduction of this material is confined to the purpose for which this permission is given.

I trust this permission will be satisfactory; if any point needs clarification or you have any further queries, please do not hesitate to contact us again.

Yours sincerely
