Hello,

My name is Yujie Cheng and I am a graduate student at the Virginia Polytechnic Institute. I am currently writing my dissertation for my PhD's degree in Materials Science Engineering and wanted permission to use one figure in:

"All-fiber LP11 mode convertors"
A. Witkowska, S. G. Leon-Saval, A. Pham, and T. A. Birks
Optics Letters Vol. 33, Issue 4, pp. 306-308 (2008)

The figures I would like permission for is figure 1 .
If you could get back to me as soon as possible I would greatly appreciate it. A reply email giving permission for the use of these figures is sufficient for my needs.

Thank you very much!
