

New York Baitfish and Sportfish

New York producers spend an estimated \$240,000 per year on regulatory compliance.

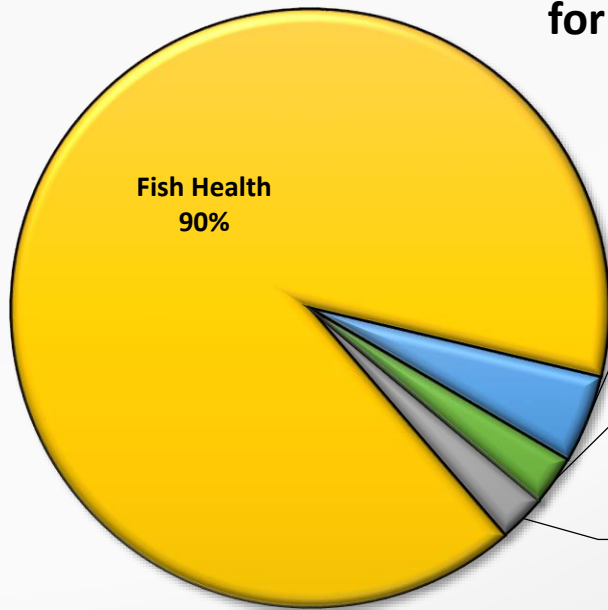

This breaks down to an average cost of \$29,948/farm, or \$2,383/acre.

On average New York producers are faced with 5 permit and license renewals per year. Some report in excess of 10 annual renewals.

New York producers ship live fish to 2 other states on average. Some producers ship to 4 states.

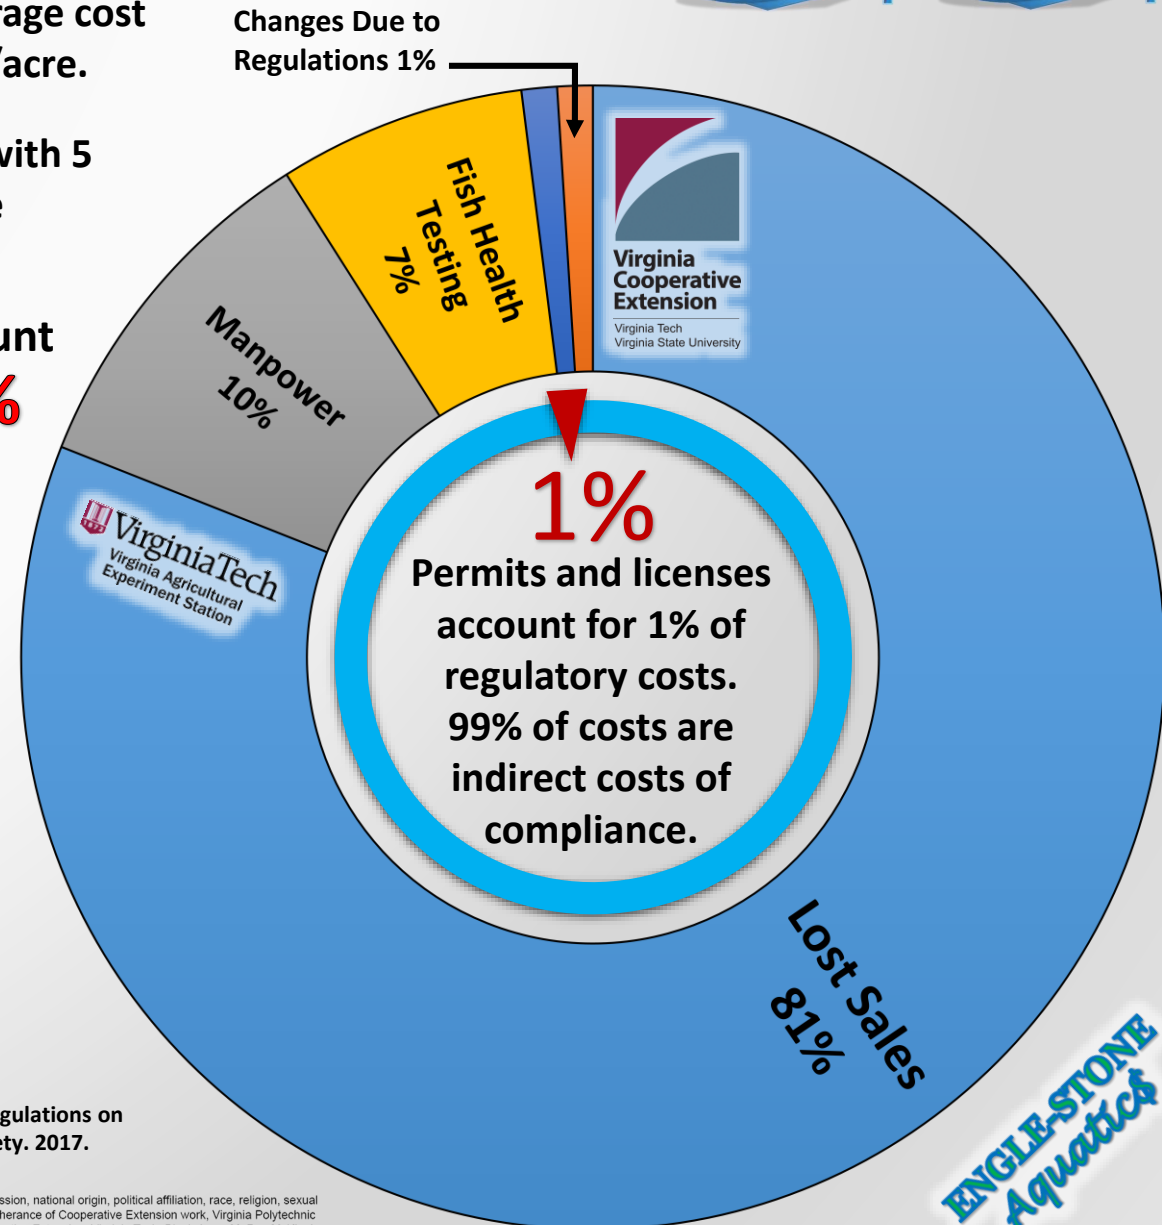

Regulations account for about **61%** of farm costs

Cost of Regulatory Categories
