

A Unique Opportunity

Through the generosity of James and Barbara Turk, we have been given 3 acres on Seventeenth Street in Radford, Virginia. Named Claytor Subdivision for Roy Claytor, one of the founders of Habitat for Humanity of the New River Valley, we now have the unique opportunity to build a Habitat for Humanity front porch community.

Habitat for Humanity®

The ultimate goal of Habitat for Humanity is to eliminate poverty housing and homelessness from the face of the earth by constructing simple, decent, affordable housing. Furthermore, all our words and actions are for the ultimate purpose of putting shelter on the hearts and minds of people in such a powerful way that poverty housing and homelessness become socially, politically and religiously unacceptable in our nations and world.

Habitat for Humanity International was founded in 1976. There are more than 2,100 active affiliates in 100 countries, including all 50 states of the United States, the District of Columbia, Guam, and Puerto Rico. Habitat has built more than 200,000 houses around the world, providing more than 1,000,000 people in more than 3,000 communities with safe, decent, affordable shelter.

Habitat for Humanity of the New River Valley was founded in 1986 and is the oldest affiliate in the state of Virginia. Since its inception, Habitat for Humanity of the New River Valley has completed 32 houses, changing the lives of many individuals.
