Dear Mr Kinney,

Thank you for your message. PLOS ONE publishes all of the content in the articles under an open access license called "CC-BY." This license allows you to download, reuse, reprint, modify, distribute, and/or copy articles or images in PLOS journals, so long as the original creators are credited (e.g., including the article's citation and/or the image credit). Additional permissions are not required. You can read about our open access license here: <http://www.plos.org/about/open-access/>.

There are many ways to access our content, including HTML, XML, and PDF versions of each article. Higher resolution versions of figures can be downloaded directly from the article.

Thank you for your interest in PLOS ONE and for your continued support of the Open Access model. Please do not hesitate to be in touch with any additional questions.

Kind regards,

Amy

Dear Plos One Journal Office,

I am a graduate student and first author of a paper in Plos one from March 2014, Vol 9 Issue 3, e91943. I am in the process of writing my dissertation to fulfill the requirements for my degree at Virginia Tech. How do I obtain permission to include my paper as a chapter in my dissertation? Thanks, Nicholas Kinney
