Scope of the JTE

The *Journal of Technology Education* provides a forum for scholarly discussion on topics relating to technology education. Manuscripts should focus on technology education research, philosophy, and theory. In addition, the *Journal* publishes book reviews, editorials, guest articles, comprehensive literature reviews, and reactions to previously published articles.

Editorial/Review Process

Manuscripts that appear in the *Articles* section have been subjected to a blind review by three or more members of the Editorial Board. This process generally takes from six to eight weeks, at which time authors are promptly notified of the status of their manuscript. Book reviews, editorials, and reactions are reviewed by the Editor and Associate Editor, which generally takes about two weeks.

Manuscript Submission Guidelines

1. Five copies of each manuscript *and an electronic version on floppy disk* should be submitted to: James E. LaPorte, JTE Editor, 144 Smyth Hall, Virginia Tech, Blacksburg, VA 24061-0432 (540) 231-8169. Overseas submissions may be sent electronically via the Internet (to laporte@vt.edu) to expedite the review process, but if submitted only in ASCII format (e.g., as an email message), a fully formatted version on floppy disk must also be sent via conventional mail.
2. All manuscripts must be double-spaced and must adhere strictly to the guidelines published in *Publication Guidelines of the American Psychological Association* (4th Edition).
3. Manuscripts that are accepted for publication must be resubmitted (following any necessary revisions) both in hard copy and on a floppy disk saved in the native word processor format (such as Microsoft Word) *and* in ASCII format.
4. Manuscripts for articles should generally be 15-20 pages (22,000-36,000 characters in length, with 36,000 characters an absolute maximum). Book reviews, editorials, and reactions should be approximately four to eight manuscript pages (approx. 6,000-12,000 characters).
5. All figures and artwork must be scaled to fit on the JTE pages and be submitted both in camera-ready and electronic formats.
