The permission of use of the following figures has been received from the related agencies.

The number of the figure in the dissertation: Figure 2.5

Contact with American Society of Civil Engineers (ASCE) concerning the permission of use:

To Whom It May Concern,

I am a PhD student at Virginia Tech. I would like to use one of the figures from your publications in my dissertation. However, I first need to receive a permission from you, that I can submit to Graduate School at Virginia Tech.

Below are the details of the figure I would like to use:

Article Name: Importance of Strain Rate and Temperature Effects in Geotechnical Engineering
Authors: Serge Leroueil and Maria Esther Soares Marques
Part of the Book: Measuring and Modeling Time Dependent Soil Behavior
Figure Number in the Original Publication: Figure 11

Below are the details of my dissertation:

Author: Melis Sutman
Thesis Name: Thermo-Mechanical Behavior of Energy Piles: Full-Scale Field Testing and Numerical Modeling

I would be glad if you could allow me to use the above mentioned figure in my dissertation, for the literature review.

Thank you very much in advance for your time.

Sincerely,

Dear Melis Sutman:

Permission is granted for you to reuse figure 11 from the ASCE Publication "Measuring and Modeling Time Dependent Soil Behavior" for your dissertation.

A full credit line must be added to the material being reprinted. For reuse in non-ASCE publications, add the words "With permission from ASCE" to your source citation. For Intranet posting, add the following additional notice: "This material may be downloaded for personal use only. Any other use requires prior permission of the American Society of Civil Engineers."

Regards,

Joann
