Dear Maria,

As an Elsevier journal author, you retain the right to include the article in a thesis or dissertation (provided that this is not to be published commercially) whether in part or *in toto*, subject to proper acknowledgment; see <http://www.elsevier.com/about/company-information/policies/copyright/personal-use> for more information. As this is a retained right, no written permission from Elsevier is necessary.

If I may be of further assistance, please let me know.

Best of luck with your dissertation and best regards,
Laura
