The Highest Honor . . .
Being a Virginia 4-H All Star
The Virginia Chapter of 4-H All Stars is an honor organization. In fact, the highest honor any Virginia 4-H'er receives is to be tapped into this organization. All Stars may participate in and be a part of 4-H for all of their lives.

Organized in 1922, the motto of the 4-H All Stars is "Service." All Stars strive to contribute "Service" to the 4-H program of which they are a part. They stay involved with all areas of 4-H and have the opportunity to give to others what was given to them when they were 4-H'ers. The "Service" All Stars provide expands to the other parts of All Star's lives, including their communities and people they meet. Thus All Stars work to achieve the organization's purpose, to encourage service through both individual and cooperative efforts.
