

EXPERIENCE THE WORLD FROM BEHIND THE LENS OF A HOKIE

NEWMAN LIBRARY and the GLOBAL EDUCATION OFFICE
present the STUDY ABROAD PHOTO EXHIBIT

MARCH 13 - JUNE 4, NEWMAN LIBRARY, FOURTH FLOOR

Each year, Virginia Tech students participate on study abroad programs spanning all continents and representing 30 countries. In the fall, the Global Education Office holds its annual photo contest designed to celebrate the colorful experiences of students, faculty, and staff all over the world. The photos included in this exhibit represent a number of contest submissions throughout the years.
