Dear Miao Chen,

Your request to reprint the figures and data is acceptable provided the journal is properly cited within your paper.

Best Regards,

Virginia Dawson

Subject: Permission to use the article and data
Dear Sir,

We published a paper in your journal of “Journal of the American Association for Laboratory Animal Science” in 2016 (see the image below). I am Miao Chen, the first author and want to use all figures and data for my Ph.D. dissertation. I am requesting the permission for this purpose.

Thanks,

Miao Chen
