

Virginia Tech Giving Day 2019

On March 19-20, Virginia Tech held its second annual Giving Day, a 24-hour opportunity to join together to make an impact. The Executive Board of the Virginia Veterinary Medical Association pledged to give \$1,600 after the first 50 gifts were made to the college. Longtime clients Linda Dorsey and Jim Satterwhite pledged to match every dollar up to \$5,000 given to the Equine Medical Center. Both challenges were fully met, and VA-MD Vet Med alumni, students, faculty, staff, and friends raised an incredible \$32,000 for our college. From the bottoms of our hearts, thank you!
