Drs. Piburn and Sawada,

Happy New Year to you both! I am in the process of completing my dissertation and preparing for my defense. I would like the opportunity to cite and to utilize the Reformed Teaching Observation Protocol as a part of my research. Per the document cited below, there was no explicit permission statement for citation; however, I wanted to be overly cautious and submit an inquiry to ensure that you would be fine with me citing and to have utilized the observation protocol.

Thank you,
ABW
