Describe the **Purpose** and Character of Your Intended Use:

The figure was replicated in my dissertation manuscript to illustrate the trial type and order of the stimuli presented to subjects in the dissertation study.

Describe the **Nature** of Your Intended Use of the Copyrighted Work:

The nature of the figure is a photographic representation of the stimuli presented to subjects during the learning paradigm described in the publication.

Describe the **Amount** of Your Intended Use in Relation to the Copyrighted Work as a Whole:

I used the figure and only changed minor parts, as I used a very similar trial structure and order in my study (which was a replication of the Wendt et al. study).

Describe the **Effect** of Your Intended Use on the Potential Market or Value of the Copyrighted Work:

My use of this figure and replication of the study design extends the work of the authors, as they are frequently cited throughout.
