Look For This Stamp on Each Barrel of Virginia Apples. It is a Pledge of 500 Virginia Apple Growers—Marketing Approximately  
**500,000 BARRELS**

EACH BARREL PACKED, GRADED, INSPECTED  
ACCORDING TO UNITED STATES STANDARD  
GRADES

---

The list of progressive Virginia apple growers whose names are listed below have signed contracts for the grading and packing of their 1924 apple crop under Virginia state inspection. Through lack of information the names of certain growers are omitted. The above is substantially correct with a few exceptions.

---

The inspectors for the growers listed below have been regularly appointed by the State Division of Markets. By daily visits to the orchards inspection will be made on each barrel is packed.
