

#### ACKNOWLEDGMENTS:

A mis padres, Ivan y Eva, por ser tan maravillosos. Gracias por alimentar mi curiosidad por las artes. Ustedes son y seran siempre mis idolos. Sus esfuerzos, sacrificios y amor me han dado las fuerzas y el valor para conquistar mis metas. Los amo con todo mi corazon.

To my dearest husband Charles. I am grateful for bearing with me during the conception and making of this book. Thank you for being my all-nighter buddy and always giving me words of encouragement. Your love is the best gift.

Many thanks to my three amazing committee members: Paul, Jaan, and Marco. I am incredibly indebted to your insights, patience and enthusiasm toward this thesis.

Finally I should draw attention to all my friends and acquaintances at the Center who in one way or another contributed to the defense presentation. I am in deep gratitude for the time and hard work spent to aid in the completion of this project.
