 - . Criteria for minor field properly explicated - approved by Council
4. New Course/Program Approval Requests

COLLEGE OF ENGINEERING

New Course

Referred to Professor Eiss and Assistant Provost Nurse AOE 4700 Computer Applications in AOE Visitors Lewis, Nance, and Watson were present to discuss the statement by Professors Ehrich and Watson that the topics in the proposed course are almost identical to those of CS/Math 3410: Numerical Methods. Dr. Clark Lewis of AOE does not agree.

COLLEGE OF AGRICULTURE AND LIFE SCIENCES

New Courses

Approved AnSc 1070 Animal Science Survey (1H, 1C). Effective Spring 1979.

Approved AnSc 4110 Principles of Equine Evaluation (6L, 2C) I. Effective Fall 1980.

Approved as modified FiW 3960 Internship through Directed Field Study (H, C arr - 6 credits maximum) I, II, III, IV, V. Prerequisites: FOR 2200 and 2210. Effective Fall 1979.

Approved FiW 4411, 4412 Ornithology. Request for cross-listing. Course is offered in School of Forestry and Wildlife Resources. Effective immediately.

Approved FOR 3250 Urban Forestry. (3H, 3C). Effective Winter 1980. Number justification: prerequisite is junior standing or above.

Approved request for changes in undergraduate course designations resulting from formation of a new department, Forestry Products, per communication from Dr. John Hosner.

COLLEGE OF ARTS AND SCIENCES

New Courses

Approved BIOL 4150 Mathematical Biology (3H, 3C). Effective Fall 1979.

Approved Political Science - new minor

Modified courses/programs

Referred to CONAP Communications Program - including new courses and modifications of old courses.

Referred to CONAP for a policy recommendation regarding restructuring courses in Communications when the effect of the changes would further aggravate an already unsatisfactory situation in which students outside the Communications major are not able to get courses in Human Communications and Public Speaking. Issue involves obligation to serve other students in the University as well as a department's own majors.

Approved CS 2030 Change in title from Administrative Computational Techniques to Introduction to Computing for Business Applications. Effective as soon as possible.

Approved ENGL 2180/COMM 2180 Literature and Film - Change from 3H, 3C to 2H, 3L, 3C. Effective Fall 1979.

Tabled Request from Freshman English Committee to modify current policy for granting Advanced Placement credit in English.

Request from Dean E. R. Stout to revise format and instructions for course proposals. Request did not require CUS action; suggestion was made that other colleges explore using the form Dean Stout proposed.

COLLEGE OF ENGINEERING
Modification

Approved Cross listing Building Construction and Civil Engineering courses as follows:

- CE 4120 (also BC 4120) - Construction Management
- CE 4130 (also BC 4130) - Specifications
