SIRE: ROYAL APPEARANCE is one of Virginia Tech's current breeding stallions. At his ISR/Oldenburg NA licensing, Royal Appearance received a score of 153.5 points (at that time, second only to his sire!) with a 9 for jumping. At his performance test, he was named a Class I stallion, earning a dressage index of 120.29 and a jumping index of 118.44 and finishing fourth overall. As a 6-year-old, he was the Reserve Champion Young Horse Jumper for the East Coast, under the guidance of Margie Goldstein-Engle. From his first crop of just two foals, he sired Royal Raconteur, ISR/Oldenburg NA East Coast Reserve Champion Colt and now competing at the Advanced level internationally. He has also sired Premium foals Rivendell (8.5), Revlon VT (8.5), BW Royal Princess (8.4), BW Regal Reception (8.3), etc. Daughter Royal Robin was named the USDF #2 Oldenburg NA Yearling Filly in 2003. Daughter BW Royal Princess was named Champion Oldenburg and Best US-Bred Filly at Fair Hill.

DAM: NAKISKA is a lovely older-style mare who came to Virginia Tech after her dressage career. She is an exceptionally good mover and has produced several outstanding foals for us, including the Premium Filly Odessa VT (Winner, 3yo Fillies at Dressage at Lexington; 2nd at Dressage at Lexington, Fillies of 2004) and R. Malachi VT (shown successfully at Dressage at Devon in the FEI 4yo Test and now a winner at First Level with his amateur rider).

Remember VT and Kristy Doyle, August 2008.

Remember VT is an attractive, gregarious filly - very friendly and outgoing, with an extra spark of charisma and confidence. In August 2008, she was shown at a Future Event Horse show and received **Champion Filly**

DETIDN TO

and **Reserve Grand Champion** honors. Judge Harriet Peterson gave Remember VT an overall score of 81.5, with scores of 9 for her trot and overall impression. Her comments included "Lovely event type filly. General overall harmony, confidence and efficient mover."

She would make an excellent event prospect, but is versatile enough for any of the sporthorse disciplines. She was sold in the 2009 Hokie Harvest Sale.
