**Subject:** RE: Permission to use the article and data

Dear Jia-Qiang:

Benjamin has permission to use all figures and data from this article in his dissertation.

Kind regards,

Karen Ballen

**Subject:** Permission to use the article and data

Dear Karen Ballen,

We published a paper on your journal of "Stem Cells and Development" in 2017 (see the image below). Benjamin Ledford (the first author) is my student and now he wants to use all figures and data for his dissertation. I am requesting the permission for this purpose.

Best regards,

Jia-Qiang

=====

Hi Benjamin,

Please see below, for statement sent last week, one letter wrong in email address!

Regards,  
Jennifer
