SAGE's Author Archiving and Re-Use Guidelines

These guidelines should be followed by authors of Contributions published in a SAGE subscription journal, including authors whose Contributions were published under a previous version of the author guidelines. For a list of exceptions to these guidelines, please see below.

Three versions of the Contribution are referenced in these guidelines:

- **Original Submission:** the version submitted by the author before peer review
- **Accepted Manuscript:** version updated to include the author's revisions after peer review, prior to any typesetting for the journal. This is often the version accepted by the editor
- **Final Published PDF:** copy-edited and typeset Publisher's PDF, the same version published on the journal's website

Green Open Access: SAGE's Archiving and Sharing Policy

Your sharing of the **Original Submission** or **Accepted Manuscript** may include posting a downloadable copy on any website, saving a copy in any repository or network, sharing a copy through any social media channel, and distributing print or electronic copies. Please note some journals will not consider papers that have been posted as preprints prior to submission and you may check a journal's policy regarding considering previously-posted papers by referring to the journal's submission guidelines.

For information on use of Institutional Repository (IR) copies by authors and IR users, see [Posting to an Institutional Repository - Green Open Access](#).
