Eric Beaudette
University of Minnesota: Wearable Technology Lab

Dear Eric Beaudette:

I am completing a masters thesis at Virginia Polytechnic Institute and State University entitled "Joint Angle Estimation Method for Wearable Human Motion Capture." I would like your permission to utilize the photos you captured during data collection. The photos to be used are included in the latter pages of this letter.

The requested permission extends to any future revisions and editions of my thesis, including non-exclusive world rights in all languages, and to any future publications. These rights will in no way restrict republication of the material in any other form by you or by others authorized by you. Your signing of this letter will also confirm that you own the rights to the above-described and included material.

If these arrangements meet with your approval, please sign this letter where indicated below and return it to me in the enclosed return envelope. Thank you very much.

Sincerely,

Amanda J Redhouse
