Hi MiguelAndrés,

Congratulations on your successful dissertation defence! We'd love to see the document when it's completed.

Yes, you have our permission to use the images you attached, with credit to **8 80** Cities.

Have a great day,  
Siva

Hi MiguelAndres,

I've attached the report. We don't appear to still have the original surveys or data, but most of the questions are reconstructable from the report, I think. It will be missing the information about how many people live, work, and play in the area.

Good Luck,
