

Does the Repository Reflect the Institution?

Gail McMillan for *Against the Grain* Special Report, April 2020

<http://hdl.handle.net/10919/97085>

Table 1

This is an example from the beginning of the alphabet displaying the percentage of hits in VTC (Virginia Tech Collection, i.e., vt.edu) and in the three targeted collection in VTechWorks when the terms were searched.

# times 89 terms used in 14590 College web pubs hits=4067	Colleges oldest	Colleges newest	% times terms used in Colleges	ALL TERMS	% of times terms used in ETDs	# times 115 terms used in ETDs hits=9017	ETDs oldest	ETDs newest	% of times term used in Fac Res	# times 41 terms used in 3870 articles hits=858	Fac Res oldest	Fac Res newest	% of times terms used in VT	# times 109 terms used in vt.edu (minus VTW, theses; inc scholar) hits=84,793
