Table 2

The same five terms got the most hits in VTechWorks and VTC (Virginia Tech Collection, i.e., vt.edu). Only eight terms got more than 2% of the hits in VTC. Only gender, sexual orientation, gender identity, gender expression and lesbian got more than 2% of the hits in VTechWorks. The top 20 hits in VTC varied by <2% with VTW, except for “sexual orientation” which got 4.7% more hits in VTW.
