ARTICLE I:

SECTION I:

MISSION

The USS Appropriations Committee is a standing committee of the Undergraduate Student Senate (USS). The Appropriations Committee manages the allocation process of a portion of the student activities fee to University Chartered Student Organizations (UCSO), Registered Student Organizations (RSO), and University Student Life Programs (USLP) alongside the Graduate Student Budget Board (GSBB). USS Appropriations is a policy board that strives to fund organizations in a fair and equitable manner. Funds allocated through the Appropriations are meant to enrich the experiences and exposure of the student body during their time at Virginia Tech.

SECTION II:

SUPPORTING STATEMENTS

The views and opinions expressed by organizations that are funded through the USS Appropriations Committee do not reflect any official policy, stance, or position of the Committee or USS and are solely the opinions, viewpoints, or reflections of that specific organization.

Given that students attending the Roanoke campus pay the Blacksburg Campus student activity fee, organizations functioning at that campus are eligible for Appropriations funds. Throughout the document, if the Blacksburg campus community is named, the Roanoke campus community is the equivalent location for student organizations that are at the Roanoke campus.

- Student organization advisors may not do the following:
 - Submit funding applications on behalf of the organization.
 - Serve as the primary contact for an organization on a request.
 - Complete reimbursement paperwork on behalf of the organization.
 - Communicate with Appropriations about the organization's request without involvement from a student leader.
- Advisors may help student leaders navigate these processes, but they are unable to complete the processes themselves.

 - If the funding request does not come in prior to that deadline, the Appropriations Committee will not consider funding for that request, and it will be automatically denied.

 - *USS Appropriations Committee defines active collaboration as involvement from members of all involved organizations in the creation, planning, and execution of the program and may include financial contribution from all parties involved.
- If you are collaborating on an event, each organization must apply for their own funding for the event.
- There is a cap of \$60,000 per Major Event per year.

SECTION VI:

HOW REQUESTS ARE HEARD

- Requests are heard in the order they are received.
- The Appropriations Committee meets once per week and every effort is made to hear funding requests as quickly as possible.
 - Please note that there are over 800 organizations on campus. The earlier your organization submits their funding request the more time they will have to plan for their event.
- The Appropriations Committee makes their funding decision based on:
 - How the budget request helps the organization meet its mission
 - If the request follows funding policies and precedents
 - If the target audience is currently enrolled VT students
 - How well justified and estimated the funding request is with appropriate supporting documentation
- The Appropriations Committee reserves the right to a) ask for additional clarity if needed or b) meet with organizations before awarding funding.
 - If the organization is sent an email seeking clarity on a request, they have one week (7 calendar days) from the date the email is sent, to respond.
 - If a response is not given within 7 calendar days, the request will be voted on with the information, or lack thereof, provided.
 - If the organization is asked to meet with the Appropriations Committee, the organization will be notified of the date and time.
 - If a representative of the organization is not present, the request will be voted on with information, or lack thereof, provided.

SECTION VII:

APPROVED FUNDS

RSO & USLP Funding Policies & Procedures

- Once a request is approved, the organization will be notified of what the Appropriations Committee approved in their request.
- The organization is approved for ONLY what is on the request and award letter.
- If requesting funds for a program, organizations must put their program/event on their GobblerConnect page a minimum of 15 days prior to the event, with an accommodations statement.
 - If 15 days does not exist between approval and the event, the organization must create the event ASAP.
 - If this does not happen, the organization would lose funding for that event.
 - This does not apply to conference or competition funding.
- If funds are spent outside of what was approved and/or the amount approved, the organization will be solely responsible for paying those expenditures.

Retroactive Funding

- Organizations cannot be reimbursed for payments made prior to funding approval except for plane, train, bus, or lodging expenses
- All other payments must take place after approval from the Appropriations Committee.
- If payments are made prior to approval, the organization is solely responsible for paying those expenditures if funding is not approved after pre-payment.

Change of Event Information and Reallocations

- Organizations are required to seek the Appropriations Committee's approval for reallocation of funds if there is a change in previously approved funds and/or events and/or dates.
- Reallocation requests must be submitted no less than 7 calendar days prior to the event or expense. The approval of the reallocation must be received prior to the expenditure of the requested funds or prior to the event, whichever is first.
- This request to reallocate is done by emailing appropriations@vt.edu
- The email should include which line item(s) and amount(s), from the original request and identify what line item(s) the reallocation is being requested for.
- The email should also include a statement explaining the reason for the reallocation.
- Reallocation may only occur within the singular event originally requested. Funds cannot be reallocated between separate events, nor can they be reallocated to a new event.
 - Examples that can be approved:
 - Your organization is approved for a speaker and that person is no longer available, but you are bringing another speaker.
 - Your organization was approved for airfare for a speaker, but they have decided to drive instead.

 - Reallocation of funds from line items to new line items.

RSO & USLP Funding Policies & Procedures

- Any additional change that may come forward, not previously outlined in policy.

ARTICLE III:

SECTION I:

PAYMENT AND REIMBURSEMENTS

- There are several documents that must be completed and via GobblerConnect before a check request can be forwarded to the Controller's Office.
- Approved funds are only dispersed through Direct Pay/Invoice or reimbursement.
- Submitting an invoice and/or contract for a direct payment is the preferred method of utilizing the funding.
- If the invoice or charge is more than what was approved through the Appropriations Committee, the organization is responsible for paying the remainder of the costs.
- Contracted speakers, guests and artists must be paid directly through the university, not through student organizations or their members. Other purchases from outside vendors (such as supplies, equipment, etc.) may be purchased by the student organization, provided they have received pre-approval to purchase and submit proper receipts and documentation for the purchase in order to receive reimbursement.

Deadline for Payment

- Organizations are required to submit the payment documentation, direct pay vendor invoice, contract, or reimbursement receipts and payment verification electronically.
 - All necessary signatures must be completed on Payment Processing Forms.
- If the payment documentation is not turned in within 5 days after receiving all receipts/invoices and 15 days, the organization forfeits the right to be reimbursed and those funds will revert back to the Appropriations Committee.
- All reimbursement paperwork for the same event/expenditure/conference/competition must be turned in at the same time.
 - For example - If your organization is being reimbursed for a conference, reimbursement paperwork for all individuals who need to be reimbursed, and any additional payments made, must be turned in together.
 - **This does not include payments for contracts and vendors that are needed ahead of time.**

Date Non-Specific Funding

- If the approved funding is not for a specific event date, (i.e. equipment), the organization has 45 days after they are sent award notification to make the purchase and turn in all paperwork for reimbursement or payment.
- Failure to meet this deadline will result in the organization forfeiting access to the funding and the funds will revert back to the Appropriations Committee.

Payment for Contracts/Honoraria

- Before an organization enters into a contract, it is strongly encouraged that

RSO & USLP Funding Policies & Procedures

the organization meets with Student Legal Services in Squires 143.

- Payment processing forms completed and signed contract, W-9 form, and 20 questions form must all be **turned in 4-6 weeks prior to your event.**
 - Failure to turn in forms 4-6 weeks prior to your event will result in a check not being ready for payment to the contracted guest on the day of your event.
 - The University must pay the contracted performer directly and the organization cannot be reimbursed for prior payments.
 - Payment made by an organization to a contracted guest, no matter the cost of the contract, and turned in for reimbursement, cannot be processed, and will be denied by the Appropriations Committee.
- Failure to submit the appropriate forms and/or to have these forms completed will delay the ability to have a check made. If a payee has a US Taxpayer ID or Federal ID number, the W-9 form will need to be submitted and signed by the person the check is being made out to (or an agency representative, if applicable). This process can take 30 days to complete once all materials are submitted to the Controller's Office.

Reimbursement for Personal Purchases

- The organization should submit the original detailed receipt along with any appropriate backup documentation and the Student Payment Processing Form, available online.

Payment for University Services

- Invoices from University Services/Departments should be submitted to the Student Organization Accounting Office and will be paid directly with Appropriations funds.

ARTICLE IV:

SECTION I:

APPEALS

- Appeals may only be based on the following criteria:
- Established policies and procedures were not followed.
- The decision was not made within parameters with previous decisions of the Appropriations Committee, in the same academic year.
- The fact that the Appropriations Committee did not fund an item at the requested level does not constitute grounds for appeal.

Hearing Appeals

- RSO/USLP appeals will be heard by the USS Appropriations Appeals Committee.
- The Appeals Committee
 - Consists of 3 members from USS Appropriations.
 - The three chosen to sit on any appeal must not have been present and/or voted on the original request. An appeal will be convened as soon as one can be arranged by all parties involved.
- An appeals Committee will be created at the beginning of the year.

Filing an Appeal

- All appeals must be submitted by the organization through GobblerConnect and filed in accordance with the following appeal criteria.
- All appeals of Appropriations Committee allocation decisions must be submitted, no later than 5 PM on the date two (2) weeks from the date on the award letter.
- The appeal will be delivered to the Appropriations Committee Advisor to begin the appeal process.
- The Appropriations Committee Advisor will review the appeal and determine if it meets the appeal criteria.
- If it does, the Appropriations Committee Advisor will convene the Appeals Committee for the upcoming week.

Hearing an Appeal

- The convened panel will review the request and meet with members of the organization who filed the appeal and the Chair or Vice Chair of the Appropriations Committee.
- The Appropriations Committee Advisor will be present to take minutes and to ensure that both sides are being presented.
- Once both sides are presented, and the panel feels they have enough information to make a decision, they will privately deliberate.
- The appeal decision will be emailed to the organization contacts and to the chair of the Appropriations Committee.
- The decision of the panel is final.

RSO & USLP Funding Policies & Procedures

SECTION II:

CHANGING PROCEDURE
