

Word Box Words

Cut along the lines and place the individual words in a box or container. As students complete “The Red Wheelbarrow” Ideas Sheet, they can select a word from the box, and copy the word into the appropriate box on their sheet. (It goes in place of “glazed” in the original poem.) Students can replace the word they select with another if the word does not fit their poem.

wet	heavy	covered
drenched	erupting	bursting
boiling	visiting	collapsing
brimming	performing	comfortable
shiny	sparkling	sitting
standing	contagious	playing
dancing	watching	slimy
slippery	humming	moving
growing	sticky	bright
burning	glowing	dark
